

Self Storage Interior Components

CUSTOMIZED SOLUTIONS FOR YOUR STORAGE FACILITY

MADE IN CANADA • FABRIQUÉ AU CANADA

Easier to do Business with...

AGWAY METALS INC.

...pour vous faciliter les Affaires

Agway Metals can supply you with standard storage components or customize to your unique requirements. We carry Gloss White and Galvalume Plus materials to fabricate all self storage components.

Agway Metals self storage components are made from Canadian made steel.

Wall Systems

We offer Gloss White Flush Wall panels and Gloss White Corrugated Wall panels to keep your corridors reflective and bright. We also produce various styles of pier and header systems that work with the roll up or swing door of your choice.

Ceiling Systems

Standard and/or customized to suit your choice of lighting.

Unit Partitions

Complete with standard or customized framing components.
